

Power Partner Program – Official Terms

Eligibility

The Referral Rewards Program is open to current customers, partners, and approved industry contacts of Peak 8 Solutions. Participants must be 18 years or older and reside in the United States.

The program will run for a six (6) month period, with specific start and end dates to be announced prior to launch.

Program Enrollment

Participation in the Referral Rewards Program is automatic when an individual submits a qualified referral that is confirmed by Peak 8 Solutions. No formal enrollment or sign-up is required.

How to Participate

Participants earn one (1) referral point for each new customer they refer who completes a qualifying purchase with Peak 8 Solutions during the program period.

Referrals may be credited in one of two ways:

1. When a participant directly submits or introduces a qualified lead to Peak 8 Solutions, or
2. When a new customer states at first contact that they were referred by a specific individual.

Only referrals confirmed by Peak 8 Solutions as new, qualified customers will be counted.

Monthly Drawings

During Months 1–5 of the 6-month program, one (1) winner will be selected at random from all participants who have earned at least one referral point during that month. Each referral point equals one entry. The monthly prize is a \$100 digital Visa gift card.

Odds of winning depend on the number of eligible entries received each month.
